### **Out-of-Competition No-notice Anti-Doping Testing 2008/2009**

Ladies and Gentlemen,

We refer to our fax of March 6, 2008 concerning the ISU out-of-competition Anti-Doping testing program for the coming season.

Based on Article 5 of the ISU Anti-Doping Rules (Communication No. 1447) and Section C of the ISU Anti-Doping Procedures (Communication No. 1448), please find attached the lists of skaters in the ISU Registered Testing Pool 2008-09 for each sport discipline. This list is also available on the ISU's website ([www.isu.org](http://www.isu.org)).

These skaters must complete and return to the ISU information covering 3 month periods about their permanent location (actual living address and actual place of training) and monthly schedule (their location on each day of the 3 month period, including any time when the skater is away from their permanent location). In addition each skater must specify a 60 minute (one hour) period each day when they will be at a specific location and available for testing. This is a new requirement of the recently approved International Standard for Testing, which is mandatory for all signatories of the World Anti-Doping Code. For this purpose a revised Monthly Location Form is attached for those skaters wishing to submit their whereabouts by email or fax up until December 31, 2008. One page must be completed for each month.

**This information must be returned to the ISU on a quarterly basis as follows:**

- July, August and September 2008 **before July 1, 2008**
- October, November and December 2008 **before October 1, 2008**
- January, February and March 2009 **before January 1, 2009**
- April, May and June 2009 **before April 1, 2009**

HEADQUARTERS ADDRESS: CHEMIN DE PRIMEROSE 2 - CH 1007 LAUSANNE - SWITZERLAND  
TELEPHONE (+41) 21 612 66 66 TELEFAX (+41) 21 612 66 77 E-MAIL: info@isu.ch

The information may be submitted in one of the following ways:

1. Via ADAMS. Instructions, user names and passwords will be sent in a separate fax to each Member Federation with skaters in the Registered Testing Pool.
2. During a changeover period of 6 months between July 1 and December 31, 2008, whereabouts may also still be submitted via fax (+41 21 612 6677) or email (cairns@isu.ch) using the Permanent Location and Monthly Location forms available on the ISU website at [www.isu.org](http://www.isu.org) under "Clean Sport/Medical". Thereafter all whereabouts must be submitted on ADAMS unless there is a specific prior agreement with the ISU.

We would like to take this opportunity to remind you that according to Articles 5.5.2 and 5.5.3 of the ISU Anti-Doping Rules (Communication 1447), skaters who fail to provide whereabouts information on time or who are not available for testing because the information they gave was not accurate may be sanctioned and so may their Members. We also refer you to Article 10.3.3 of the revised World Anti-Doping Code, which will be in force from January 1, 2009 and which sets a minimum 12 month suspension for athletes who have 3 warnings for failing to provide whereabouts information and/or missed tests.

We thank you for your cooperation and look forward to hearing from you.

Kind regards,

Fredi Schmid  
Director General
